

DIGITAL MOCKS SERVICE

FAQ:

Q: What is the Digital Mocks Service?

The Digital Mocks Service is an online assessment platform provided by Cambridge International. It allows students to practice taking exams in a digital format, simulating the actual conditions of Cambridge digital assessments. This helps students build familiarity and confidence with the tools and layout of digital exams.

Q: How will the digital mock exams benefit me?

- **Feedback and Improvement:** Teachers and learners get detailed results showing each student's marks along with any further breakdown of marks awarded with each question. This informs where to focus revision.
- **Skill Development:** Builds confidence in navigating digital platforms and managing time in a digital exam environment.
- **Efficient exam experience:** Digital mocks enable students to manage their time well during the assessment, and allow them to easily review and amend their answers.

Q: When and where will the mock exams be held?

Mock exams are scheduled to be held between 24th February to 9th March. More information will be shared at the beginning of February. The mock exams will be conducted at Sri Emas International School.

Q: Do I need to bring my own laptop or device?

No, we will provide all required devices.

Q: Will this affect my final exam results?

No, the mock exams are solely for practice and feedback. The results will not impact a candidate's final IGCSE/A-Level grades.

Q: How will the mock exams be marked?

Multiple-choice question (MCQs) digital mock exams are auto-marked, and non-MCQ digital mock exams are marked by Cambridge examiners. Results from examiner-marked components will be available within 14 days. Results reports will be sent via email.

Q: How can I register for the mock series?

Students may register on our online [Examanix](#) portal. Students will need to register for an account/sign-in and register under the "Digital Mock Series" intake.
